Message from the Directors

Miss Kylie & Miss Terralea

Welcome to 2024!! We here at Impact are excited to get this part of the year started. We have lots to share and let you know about.

Throughout this month's newsletter we have information for each and every group - from tiny tot's to our senior classes - there is something for everyone.

Before all that, we want to say a huge thank you from each of the staff at Impact for all the wonderful gifts the students handed to their teachers for Christmas. We appreciate each family taking the time to find just the right gift for us. Thank you.

Also, we want to say congratulations to all those dancers who participated in their Tap and/or Jazz CDTA Dance Examinations that took place in December. We are so proud of each of the dancers for working so hard leading up to their exams and doing great while in their exams. We want to report that all our students successfully passed their exams.

COSTUMES

Most costumes have arrived

We have been in the studio over the break preparing all the costumes that have arrived. We want to get them handed out ASAP to your dancer. However, if your account is not up-to-date with payments your dancer will not be handed the costumes. Payments can be made via e-transfer, cash or cheque.

The costumes that have arrived will be handed out the first week back of classes. If you are unsure if your account is up-to-date please email us and we can let you know.

As mentioned, not all costumes are here. If your dancer is missing one or more - do not be alarmed, it simply has not arrived. Once it arrives we will send it home with your dancer.

Tights - All tights will be sent home once they have arrived.
Accessories and Hairstyles - All the information about these will be sent in a detailed email at a later date.

If any costume has to be altered to fit properly, that is the responsibility of the parent. Impact Dance Co. is not responsible for any alteration costs.

STUDIO RENTAL

For solo and duet dancers

We want to see dancers practicing their solos and duets for competition. We understand space is limited for some.

The studio will have a rental spreadsheet that parents can add their names to rent the space. This spreadsheet will be emailed out to all solo and duet dance parents. Dancers age 14 and under must have a parent with them during the rental. More information will be added to the email. Look for the email and times/dates to be sent out later this month.

COMPETITION INFORMATION

Glam competition has informed us recently that they may change their date to accommodate a large number of entries. They have not yet confirmed the change, as they are awaiting final numbers of entries. If they add a day, it will be the Wednesday and they assured us it would be only solos that day. We will keep you up-to-date with information as we receive it.
