Message from the Directors

Miss Kylie & Miss Terralea

Did you hear the news? We have officially announced our theme for the 2024 Impact Dance Company recital. FROZEN is our theme!! We are looking forward to creating a show centred around the story and characters of the FROZEN movie.

CDTA mock exams and exams are coming up. For those dancers participating in tap &/or jazz exams we will be sending out information about mock exams in the coming weeks.

Also during the month of November we will be sizing all the dancers for costumes that we will be ordering this month. In order for costumes to arrive on time for competition and recital season we need to order soon.

Solo and duet classes will also be starting this month and will run for the remainder of the 2023 dance season. Please watch for information posted on the white wall as well as schedules that will be posted, sent home on paper and/or emailed from the choreographer directly.

CDTA Exam Information

What you need to know

We are continuing with weekly classes. Exams will take place in December for tap and jazz students. Along with weekly classes at the studio we are asking students to please be practicing at home. Exams are next month and we want all those who are participating to feel confident and prepared.

Mock exams will take place on Friday, November 24th. A schedule will be sent out to those participating in the coming days.

Fees for exams have been sent out. If you have not already done so, please make your payment ASAP. The fee includes classes as well as the exam itself.

If you have any questions about the exam please reach out to Miss Terralea or Miss Kylie.

Students who have registered for exams have been given the opportunity to participate in a small group. Those groups will be decided and parents will be informed about them shortly.
