DANCERS ARE GETTING READY TO HIT THE STAGE

A Message from The Directors

The time has arrived for the dancers to prepare to hit the stage as dance competition season is upon us.

Dancers have been working hard in class and at home as they prepare to take the stage with a live audience! This is something we have not seen in over 1000 days, yes you read that correct - it has been over 1000 days since the dancers have had a live audience to perform for.

We are excited for them to put on their costumes, get out that hairspray and put on their stage make-up so they can get on stage and do what they love to do - DANCE!!

To all the dancers, we are impressed with your commitment to coming to class, learning the work and taking the time to clean each dance. Your dedication to classes as you prepare to hit the stage is to be commended. We want to say thank you to each dancer who continues to make dance their priority.

CHECK YOUR EMAILS

There is plenty going on at the studio these days

With all the upcoming events we want to keep everyone as up-to-date as possible. What does that mean for you? It means emails will be showing up to your inbox weekly as we lead up to our competitions.

We have not received any program schedules as of when this newsletter has been sent out. However, once we receive the final draft of each competition we will send it out via email. Each competition schedule will be sent out separately to avoid any confusion when it comes to final times. The times that will be listed for all the groups in the schedule will be the time that dancers need to be ready to go - hair done, make up done and costume on. We like to make sure the dancers are prepared and therefore we ask that you show up with time to have your child ready. The time listed is to allow for the instructors to have ample time warming the dancers up, making any last minute adjustments and lining up to be ready to go on stage.

Along with schedules we will also be sending out a make-up guide. This guide will help anyone who has not had a child dance at a competition or recital before. We encourage you to check out you tube for some great STAGE MAKE-UP tutorials to help guide you through the process. Dancers age 11 or older - will be wearing false eyelashes. Dancers age 10 and under - mascara will be worn. More information will be in the guide, coming to your inbox soon.

RAD Ballet Exams

Ballet Exams are just around the corner. We are so proud of all our ballerina's who will be participating in their RAD Ballet Exams on **FRIDAY MARCH 18th**. Many, many, many hours have been spent getting these dancers ready and confident to go into their exam. Good Luck Dancers.

Please read through the information that was sent home in February. The information listed in the hand out is very important and will answer most questions you may have. If, however you need more information please reach out to us via e-mail and we will be happy to answer any you may have.

After March 18th the ballet exam classes that take place on Mondays and Wednesdays will no longer take place. The schedule for all other Monday and Wednesday classes will not be effected. If you have other classes on those days please continue to attend them at their regular times.

Solo and Duet Mini-Showcase

Friday March 11th

Solo & Duet Showcase Line-Up

Impact Dance Company is hosting a Mini-Showcase highlighting all our soloists and those doing duets. The Showcase will take place on Friday March 11th at Muenster Community Centre. We would love to see you in the audience to help our dancers get ready for the competition stage. If you want something to do on this day off from school we would love to see you support the dancers.

The admission for the Showcase is a non-perishable food item or a monetary donation for the Humboldt Food Bank. We are working towards 'Making an Impact' in the community that we live in. By hosting the Showcase and donating all the proceeds to the Humboldt Food Bank our dancers and IDC families are 'Making an Impact' in Humboldt and area.

Dancers who will be performing at the Showcase, please have all your costumes with you, hair pulled back and make up are optional. This event is to help prepare you for the competitions, your attendance is not optional.
