Impact Dance Company February Newsletter

A MESSAGE FROM THE DIRECTORS

Miss Terralea & Miss Kylie

Hello to all our IDC Dance Families. Where did January go? We feel like we just got back from the Christmas break and yet here we are welcoming February!

The staff has been busy handing out costumes to the dancers. (Not to worry, tights are on their way!). If you have not received your child's costume please make sure your account is up to date so we can hand them over.

Dances are finishing up this month. We ask that all dancers commit to attending all their dance classes so they don't fall behind as we prepare each class to attend competitions in March & April.

We anticipate the schedules for all the competitions to be arriving during the month of February. You will receive emails from IDC for each competition. Included will be a schedule and details regarding each specific competition.

RED, PINK & WHITE SPIRIT WEEK

The studio staff loves to see the dancers participate in our spirit weeks! This month we are excited to be hosting a Red, Pink & White Spirit Week.

The week of Monday February 13th - Thursday February 16th we encourage the dancers to come wearing hearts and red, pink and/or white clothing!

Impact Dance Company Invoices and Accounts.

We want to make sure your account is up-to-date as we enter into the competition season.

In the coming weeks Miss Terralea will be sending out invoices to those families who have an overdue account.

Please make every effort to have your account paid-up before competition. Failure to do so may result in your child missing out on the competition season. If you have any questions please contact Miss Terralea.

Costume/Tights/Hairstyle

Impact staff have been working hard on finalizing the Costume List for each group that will be participating in both competitions and recital. Each group will have listed, the name of the dance, name of the class, the costume description, accessories, hairstyle that is required, shoe style and any special notes along with a picture of the costume for reference. If you have any questions about your child's costume please reach out to either Miss Kylie or Miss Terralea. This list will be sent out shortly.

We encourage you to practice hairstyles and make up prior to the first competition/recital. Feel free to ask your child's dance teacher any questions you may have regarding hair, costume or make up.

STUDIO RENTAL

The studio will once again be available for rentals for those interested in practicing in a space with mirrors, proper flooring and a sound system.

The rental schedule will be available to add your name soon. More information will be available once the schedule is ready.
