Message from the Directors

Miss Kylie & Miss Terralea

We appreciate all the dancers coming back into the studio for the month of September. All of the staff at the studio are thrilled to get into class each day and work with all the bright and smiling faces.

If you have a dancer who is interested in trying a class that they have not registered for - it's not too late! Contact the studio and we can get them in a trial class.

We are still accepting registrations. If you have a friend interested, please have them contact us at the studio.

Solo, Duet and Small Group sign up sheets will be posted at the studio (on the whiteboard) starting Oct. 1st. Dancers can add their names to the list, and staff at Impact will decide on choreographers. More information about solos and duets can be found on the studio whiteboard.

Tiny Tot and Fancy Feet (New Dancers) - You will see an email from Miss Kylie in the coming days. Please look for it, it has important information regarding your child and their dance classes.

NEW DANCE OPPORTUNITY FOR DANCERS AGE 6 & UP (Starting January 2024)

Can you guess what we are up to?

We here at Impact are always striving to bring something NEW to the dancers. This year we have a very unique opportunity for dancers some family members as well.

We are bringing this new opportunity to your attention now so you can talk it over as a family. We are needing to have secure numbers not only for the choreographer but also for competition registrations.

Our choreographer for this dance will be Miss Kylie. She is excited to bring this new dance to dancers age 6 and up at IDC.

A sign up sheet will be posted at the studio starting Oct. 1st. We hope you are as excited as we are!

DRUM ROLL PLEASE.....

MISS KYLIE WILL BE CREATING A
DADS AND DAUGHTERS DANCE.

Now Dads, before you get worried you are going on stage with tights and a tu-tu - NO FEAR!! This dance will feature the dancers. Dads, your job will be to present and have your daughter feel like she is dancing on a cloud. You will not be expected to learn many dance steps, you can consider yourself more of a 'prop', who's job it is to create a special memory for you, your daughter and your family.

Classes will start in January and take place on Wednesdays, times TBA. Dads will have to attend half the classes, to learn what their positions are. Dancers will have choreography classes and then we will bring the dads in to work with their dancer.
