## Message from the Directors

Miss Kylie & Miss Terralea

We are excited to be entering into a very busy month of classes at Impact Dance Co. The studio is getting ready for the festive season of Christmas.

There are lots of extra classes taking place at this time of year. Extra exam classes, solo and duet classes along with the regular weekly classes. However, we will be taking a little time away from the weekly classes during the Christmas break. Our last class day of classes will be Thursday Dec. 21st and we will return to our regular classes starting Monday Jan. 8th.

Solo and duet classes may be scheduled during the Christmas break. Please make sure you are aware of the schedules and be sure to make it to all of your scheduled times. If you miss a private class you will be charged an added fee.

Have a wonderful Christmas season and we look forward to seeing all of you in the New Year.

During this time of year we have duplicates of shoes, boots and jackets. We ask that you please remind your dancer to check that they do indeed have the correct items. We know that they are in a hurry to leave at the end of class but please take a moment to ask if they have everything. Labels are amazing! Our younger dancers are often checking to make sure they have the correct items, however sometimes they forget.

Recently at the studio the wrong boots went home with a dancer. If you have a dancer with this style of boot can you please have them check to make sure they are the correct size. The ones left at the studio are much too small for the dancer and someone accidentally wore the wrong ones home.

**Have a Very Merry Christmas from the Staff at Impact Dance Company.**
