Message from the Directors

Miss Kylie & Miss Terralea

If you are anything like us, you have started the countdown to competitions. Our first competition is officially T minus 20 days away!! We are anticipating a great competition season.

We want to remind everyone to have their costumes and shoes labelled with your child's name. The dressing rooms can be a bit chaotic at times and we would not want anyone to lose or misplace something that does not have a name on or in it.

Also, some things to keep in mind, we have not booked any blocks of rooms at any hotels. Each family is to book wherever they chose. The schedules are out for all 3 competitions. If, for any reason you have not received a copy please reach out to us, we will be sure to send it your way. You can also find the upcoming class schedules and competition schedules at the studio on the whiteboard.

Lastly, we know March at the studio is unlike any other month. It has a combination of competitions, ballet exams, extra classes and rehearsals. We have included a day-by-day sheet that has been added to this newsletter. Please mark your calendars with days and times of any class changes for the month of March.

Dance Days in Muenster

Information for all dance families

As most of you are aware we spend 2 days dancing at the Community Hall in Muenster. This year we will be there on Wednesday March 6th and Thursday March 7th. The schedule was sent out a few weeks ago. Those classes/groups who are not attending competitions you will not need to attend the Muenster Dance Days. Please note that there are **NO REGULAR CLASSES on these 2 days**. Costumes are mandatory for all solos and duets. No costumes are required for groups.

Extra Classes

Please keep an eye on your email

We want to make sure all the ballet exam dancers are ready for their exam at the end of March. Some classes have been scheduled for an extra 1 or 2 classes. Those parents have all been sent an email with specific days and times. You can also find this information listed on the whiteboard at the studio. There are other classes that require more class time, those parents have also received emails with days and times of classes. Please make every effort to have your dancer at ALL the classes. We are only a few weeks away from hitting the competition stage!

Make-Up and Hair Tips & Tricks

Stage Make Up & Proper Hairstyle

Sometimes we are asked why dancers need to wear so much make-up. Our reasoning behind it is simple. We need to see their faces on stage. If dancers wear small amounts or nothing at all they looked 'washed out' and we miss seeing their beautiful faces, including eyes and smiles. Make-up allows the audience to see facial features.

There are plenty of YouTube tutorials to watch if you are unsure of what or how to get the look we want to achieve.

When it comes to false eyelashes. For our younger dancers we leave that up to the parent. However, once a dancer is 12 or older we want to see all of them in false eyelashes.

When it comes to hairstyles. You should have received a 2024 Costume List awhile ago. You will notice each group has a specific hairstyle, chosen by the instructor. If you have any questions about the hairstyle we would encourage you to watch YouTube for a tutorial about the selected style. If you have questions about it, we suggest you try the hairstyle and have your dancer come to class with it and we can take a look to give it the thumbs up.
